<p>SEALIFE SAFARI ECO-TOUR</p>		<p>WELCOME RECEPTION</p>
		
<p>SEA-LIFE SAFARI</p> <p>When we conceived the Sea Life Safari Cruise, it was with the intent to provide an introduction and overview of the ecology of the Laguna Madre with special emphasis on its wildlife. Our narrator will discuss the natural history of this great estuary and its inhabitants, fin, feather, shell and hide. The passenger yacht Osprey has a high profile and is exceptionally well suited for sightseeing.</p>	<p>UTRGV Brownsville Campus</p> <p>Our university extends throughout the Rio Grande Valley, from Starr County to South Padre Island, and ranks as one of the most beautiful campuses in the state of Texas. It is home to state-of-the-art facilities and classic structures that make UTRGV unique. We hope your visit to UTRGV is memorable and that you take the opportunity to get to know us and discover the beauty and energy of Vaquero Nation.</p>	<p>South Padre Island Convention Center</p> <p>Welcome to the newly renovated, beautiful SPI Convention Centre. Located on 30 beautifully scenic acres with a view of the Laguna Madre Bay, it provides a wonderful location to come together. A major feature is the famous Wyland Wall. Wyland's Whaling Wall is #53 of only 100 other giant murals he has painted around the world and is titled "Orcas off the Gulf of Mexico."</p>
